***Upon reviewing the amended claims, it was found that several 112, second paragraph issues still exist in the application. Therefore, the following rejections are being set forth.***

### ***Drawings***

The replacement sheet filed March 2, 2009 has been approved by the examiner.

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1 and 3-18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. For claims 1 and 3, "the leg portions" lacks antecedent basis. Also, "the inserts" lacks antecedent basis, since they are first claimed in an intended use/"for" statement (which does not positively claim the inserts). Also for claim 6, "the tabletops" (plural) lacks antecedent basis, since having the tabletop on both sides of the inserts does not inherently mean two tabletops are being claimed (one large tabletop meets this limitation). For claim 6, it is unclear whether or not the "strut mounts" are the same mounts as claimed previously. For claim 11, "the base surface" lacks antecedent basis.

***Allowable Subject Matter***

Claims 1 and 3 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Claims 4-18 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
